

CELEBRATION COMMITTEES

Purpose: Celebration Committees will help to align and prioritize workgroup initiatives that relate to the specific Celebration Year.

Responsibilities:

- Meet with relevant working group representatives on a regular basis
- Meet at least once per month as a committee
- Provide Quarterly Report outs to SC 2019 Stewardship Council on the identified priorities and progress of the workgroups.
- Assist with the communication between the workgroups and the Stewardship Council including communicating resource needs and priorities
- Assist in the coordination events, promotion and alignment during the celebration year.

Nominations: Each working group should nominate one or two representatives for the relevant Celebration Year. The Celebration Committees should be balanced and represent the workgroups for that year. Please provide the names and contact information to the Office of Sustainability by **November 16, 2010**
